

Home For A Hero

A Place For A Veteran

To Call Home

This project is the first joint venture between the Perth Amboy Redevelopment Team for Neighborhood Enterprise (PARTNER), the Perth Amboy Housing Authority, and Habitat for Humanity of Greater Plainfield and Middlesex County and second Habitat project in Perth Amboy.

We are proud to dedicate this new construction to a veteran with a DD 214 status. The home includes 3 bedrooms, one and a half bathrooms, and a one car garage. Green or reusable building materials were used where possible, and the house will be ENERGY STAR certified for energy efficiency.
