## ARTS INCUBATOR INITIATIVE Apply Now

**COMING SOON TO PERTH AMBOY**  
Gallery Center for the Arts  
339 Reade Street

### About the art Incubator

The goal of the art incubator project is to work with several agencies to promote eight (8) local artists via an incubator where they will learn how to start their own businesses, form consortiums, and display and sell their works.

### About the Gateway Neighborhood Collaborative

The GNC initiative aims to promote a resident-led and community-supported redevelopment framework of the Gateway neighborhood.

The implementation of this art incubator, will require:

- \* ongoing community organization
- \* a new mix of retail, residential and other land uses
- \* and the integration and coordination of neighborhood facilities and services
