The Gateway Neighborhood Collaborative Vision

“Collaboratively empowering our Gateway residents to build a safe, healthy, and connected neighborhood where everyone has the best opportunity to live

What is GATEWAY?

The GATEWAY Neighborhood Collaborative (GNC) is a growing group of community-based residents and relevant partners working together to shape and form the GNC Neighborhood Vision; a resident driven plan intended to enhance the viability of the GATEWAY Neighborhood and improve the quality of life for its residents. The GATEWAY area in Perth Amboy extends from Route 35 to Fayette Street

Building THE GNC Vision

and Elm Street to the Raritan River. A steering committee will govern the planning process to realize the following goals:

1. Enhance community organization
2. Promote a new mix of retail, residential and other land uses
3. Encourage the connectivity of facilities and services

Funding for the GNC grant is made possible through Wells Fargo Regional Foundation.

Be Part of GATEWAY

We need you to be part of the GNC community planning committee.

Your involvement will be instrumental in the success of accomplishing the three (3) GNC goals.

As a GNC committee member, you will work closely together with P.A.R.T.N.E.R., the City of Perth Amboy, and other community organizations to develop the GNC vision by:

- participating in planning meetings
- coordinating and hosting community events

JOIN the GNC and work together to create a sustainable plan for the GNC Neighborhood.
